

#### SYSTEM REQUIREMENTS

In addition to a high-speed Internet connection, the following components are required for working with the application(s).

For Mac:

- Administrator credentials
- USB port 2.0 or higher

For Apple:

- macOS Mojave:10.14: Google Chrome
- macOS Catalina 10.15: Google Chrome

Note: The current version of Chrome and its two previous versions are supported.

#### **INSTALLING DEVICE CONTROL**

If you are accessing the application for the first time, you will need to install Device Control, a feature used to manage your scanner, before you can begin making deposits. During updates these steps will be the same. Your scanner can be connected at any point during the installation.

Accessing through online banking: Go to **Treasury Services** > Select **Remote Deposit**.

or

Accessing though an internal browser, enter the following URL: <u>https://smartpay.profitstars.com/business/login/</u> independent-bankmk

ŵ	Accounts
$\square$	Mailbox
$\equiv$	Activity Center
	Pay & Transfer 🛛 🗸 🗸
	Treasury Services ^

Installer.ap your passw	app is trying to install new software. Type sword to allow this.		
Username:			
Password:	10		
	Cancel Install Software		

11. Select Complete.

Note: If scanner installation assistance is needed, please contact Treasury Support at 833.635.9291.

Device Control Setup				
Complete Device Control Setup				
To complete the setup we must install Device Control's certificate and modify it's trust settings.				
* Quiting the setup will close the Device Control application and you will not be able to use the scanner with Remote Deposit Complete or Remote Deposit Scan.
